Creating Quizzes "TechTips"

Dr. Rick Jerz

Background

- **Tom's tutorial "Creating and Managing Questions for Online Quizzes"**
  - **Thanks, Tom!!!**
- **Very good techniques**
- **"Asynchronous" learning**
- **Welcome to "online" education**

2

Quizzing Needs

- **Exams and quizzes**
- **Rick used Blackboard, 2002**
- **Use "quizzes" as a learning and assessment tool**
- **Weekly homework called "self-assessments"**

Problem: Creating Quizzes and Question

- **Takes time!**

- **Type them in by hand**
- **Copy/paste (Tom's illustrated technique)**
- **Faster methods**

4

Suggestions to Improve Tom's Technique

- **Finding quiz questions**
  - **Publishers: Question banks**
  - **Publishers: Web-based products**
- **Side-by-side windows**
  - **Word document and browser**
  - **Two browsers windows**
- **Copy/paste utilities**
  - **PopClip (Mac)**
  - **Paste (Mac)**
- **Duplicating questions**

5

Advanced Techniques

- **Import questions**
  - **From Word**
  - **From the Publisher**
- **Use the publisher's website and delivery systems for quizzes**
  - **Cost to students**
  - **Sometimes integrated with Canvas grade book**
- **Explore external products**
- **Welcome to Online Education**

6

Comments and Suggestions

- **Post in the discussion topic for this course**
- **Speak with your instructional designer**
- **Communicate with others via "Canvas Community"**

Future

- **Improved import system**
- **Publishers role: encourage them to create great question banks**
- **Canvas "feature requests"**
- **Unizen-driven feature requests**
